2021-22 Request for Dependency Override

Student Name: _____ MCC ID#: _____

Under Federal law, to the extent they are able, your family is primarily responsible for paying for your college expenses. To determine how much your family can afford to pay towards your college expenses, we must collect your financial information and your parents' financial information.

However, Federal law allows for some exceptions, if you have a special circumstance. The following are **examples** of some special circumstances where you may submit your FAFSA without providing parental information:

- Your parents are incarcerated; or
- You have left home due to an abusive family environment; or
- You do not know where your parents are and are unable to contact them (and you have not been adopted).

But not all situations are considered special circumstances. The following are situations that would **not** be considered a special circumstance:

- Your parents do not want to provide their information on your FAFSA; or
- Your parents refuse to contribute to your college expenses; or
- Your parents do not claim you as a dependent on their income taxes; or
- You do not live with your parents, or
- You demonstrate total self-sufficiency.

Directions: If you feel you have a special circumstance, please complete this form AND provide documentation to verify your situation. Do not leave anything blank on this form! Gather as much written evidence of your situation as you can. Written evidence may include court or law enforcement documents, letters from a clergy member, school counselor or social worker, and/or any other relevant data that explains your special circumstances. Your sole documentation cannot be from a friend or family member; third party documentation is required.
