### Cancellation Statement

I understand that by submitting this form I am requesting the MCC Office of Financial Aid and Veterans Affairs cancel the authorization to apply financial aid funds to cover educational charges (tuition and fees, books and supplies).

I understand that MCC charges not paid by the fee payment deadline established by the MCC Business Office may result in the cancellation of classes. Furthermore, I understand that any educational charges accrued at MCC once these financial aid funds have been removed will be my responsibility.

I understand that this notification must be provided to the Office of Financial Aid and Veterans Affairs. Furthermore, I understand that this cancellation is not retroactive—it takes effect on the date that the school receives it. If authorized charges were incurred before this form is received by the school, the school may use financial aid funds to pay those charges.

My signature confirms that I have read and understood all instructions and that I have provided accurate, complete, and current information.
