EdReady™ will use your zip code to list colleges in your area.

Show additional options

Sign Up for EdReady™   By clicking the button you agree to the privacy policy

Students will need to enter the information for each block.

An email will be sent to the email that the student enters on the sign-up. Students will need to be able to access their email in order to verify the Edready account.

The username for the Edready account is the email listed on the signup page and the password will be what is input.

Almost Finished...

Your account registration has been submitted and a confirmation email will be sent to you to verify your email address. Please check your inbox. If you don't get a message within 5 minutes, it is possible that there was an error in your email address: *joseph.cook24@gmail.com.*

Students will see the above message when they complete the signup form.

Students will need to login to their email in order to verify their Edready account.

Dear Joseph

Thank you for registering at EdReady. We're happy to meet you!

Please confirm your new account by clicking the link below. Then go ahead and start using EdReady.

https://www.edready.org/activate?key=
SzF0V1RncUp0cGkzUXFkUWhxMUdmRHNE

If this link is not working, please try copying and pasting it directly into a browser window.

If you are still unable to activate your account, please go to this page:

https://www.edready.org/activate

And enter this Activation Code:
SzF0V1RncUp0cGkzUXFkUWhxMUdmRHNE

Still having trouble? Please visit our support website for user guides or to submit a support request:

Students will receive an email that requires verification of the Edready account.

By clicking, the Edready account will be verified and the student will be taken back to the Edready website login screen.
