Dear Student,

You indicated on your FAFSA application you would be interested in applying for the federal work study program. Due to limited funding Montgomery Community College is not able to package/offer federal work study funds prior to the start of the term.

Students who meet PELL eligibility requirements and who have an unmet need may apply for work study dollars on a first come, first serve basis.

Applications for this program are usually accepted at the beginning of the semester.

Please contact the financial aid department at 910 898 9614 if you are interested in pursuing this opportunity and for exact due dates for the upcoming term.

Thank you.
