**COVID Cases:** Report contains information about employees or students who report the contraction, or potential contraction, of the COVID virus. Please note; this does not indicate whether or not the individual was on campus. Contact tracing was done in each situation to identify potential spread and individuals who came in contact with potentially infected individuals were notified.

**Positive:** Cases reported that were confirmed through a COVID test.

**Negative:** Cases reported that were confirmed negative through a COVID test.

**Unconfirmed:** Potential cases that were not laboratory confirmed.

**Confirmed Campus Spread:** Cases transmitted through on-campus contact.
