

# MCC Summer Camps – 2025

The schedule for MCC's summer camps is here! As you know, camps fill quickly, so reach out as soon as possible (898-9672) to secure your child's spot (4th thru 8th grade) in the camps of their choice. **Please limit your child's attendance to THREE camps this summer so we may accommodate the maximum number of children in Montgomery County- thank you for understanding!** Communities in Schools- Montgomery County has provided MCC with a very generous \$3,500 donation toward our summer camps. Because of this, all camps are free! You are responsible for transportation to and from camp. See you this summer!

Dates	Times	Camp	Description
June 9-12	9am-Noon	<b>#No Filter Just Camp</b> 	Instructor James Masiclat Interested in photography? Learn to use the digital camera you own. Go beyond the snapshots and learn photographic composition, camera setting interplay such as aperture, shutter speed, sensor sensitivity, on/off camera lighting and their usage together. This is an immersive and fun class that will not only improve your photographic abilities, but give you a different perspective of the world through the lens of camera.
June 16-18	9am-Noon	<b>Junior Chef Camp A</b> 	Instructor Francisco Cortes This delicious camp, designed for kids who share a passion for cooking, baking and possibly a career in Culinary Arts. Students will prepare various items including breads, entrees, appetizers and even desserts. We will ask for any dietary restrictions/allergies at camp registration to help assist with any recipe-altering prior to camp start.
June 23-25	9am-Noon	<b>Junior Chef Camp B</b>	Instructor Francisco Cortes
June 23-26	9am-Noon	<b>Health &amp; Public Safety Camp</b> 	Instructor Ashley Hernandez Make the world a safer place and learn about first aid and how to respond to common emergencies. If you feel called to serve your community, working in a medical field may be a good fit. Explore different careers that utilize medical training. There are currently many job opportunities in each of these service-oriented careers where no day is ever the same!
July 16	9am-Noon	<b>Healthy Hearts &amp; Hands Camp</b> 	Instructor Amanda Beaman Campers will learn the importance of hand hygiene through engaging demonstrations and hands-on activities. They will discover how the heart works and why it's vital to our health, and participate in a variety of games that reinforce healthcare concepts.
July 21-22	1pm-4pm	<b>Drone Explorers Camp A</b> 	Instructor Randy Chappell Not only are drones fun to fly, there are many emerging careers using drone technology. From forest management, photography, emergency services and videography, the uses are endless! Campers will build their own drone, have hands-on flight training as well as learn about FAA guidelines for recreational and commercial use.

July 23-24	9am-Noon	<b>Drone Explorers Camp B</b>	Instructor Randy Chappell
July 21-23	9am-Noon	<b>Camp Green Thumb</b> 	Instructors Kim Johnson and R. Callicutt Are you interested in learning about Montgomery County agriculture, including animals, crops, and basic gardening? Join us for Ag Camp! We will explore Montgomery County agriculture and how these skills can be used for hobbies, to be self-sustaining and the careers that can be found in agriculture.
July 21-23	9am-Noon	<b>Java Jump &amp; Run Camp</b> 	Instructor Stephanie Weishner Technology changes daily, creating a need for people to both create and operate programs. Coding is the foundation of these skills! Starting a coding journey early-on is a great way to provide an excellent set of skills. Computer coding promotes creativity, develops problem solving skills and more importantly, it is really fun!
July 28-29	9am-Noon	<b>Uwharrie Search &amp; Rescue Camp</b> 	Instructor Tarra Ferrell This camp, led by members of Uwharrie Search Dogs, will teach the basics of volunteer search and rescue. Search and Rescue, or SAR, includes a wide variety of resources that work together to find missing people. The camp will focus on learning new skills important for land search and K9 search missions. Instructors will provide interactive and hands-on activities for participants to practice skills. Participants will also see live demonstrations by the SAR K9s!
July 29-31	9am-Noon	<b>Junior Detective Camp</b> 	Montgomery County Sheriff Bionetwork and the Montgomery County Sheriff's department need help solving a mystery. Do you love true crime TV or mystery? Join us to learn about the different careers in law enforcement, how forensic science works and try your hand at lab activities such as DNA profiling and finger printing.
August 4-6	1pm-4pm	<b>STEM Explorers Camp</b> 	Instructor Warren Colavito Join us as we explore the amazing world of STEM! STEM stands for Science, Technology, Engineering, and Math. Students will explore a variety of STEM-related topics through interactive lab activities. Not only can STEM be useful in many exciting careers, but learning STEM can give us an appreciation of the world we live in.
August 4-7	9am-Noon	<b>Mud Masters Camp</b> 	Lori Clodfelter Pottery Camp teaches students hand building and wheel throwing techniques in a relaxed environment, while being encouraged to express their creative side. While many consider this heritage craft a hobby, career opportunities do exist! Seagrove is thought to have the second highest population of potters in the world. From production pottery such as dinnerware to small business opportunities and one-of-a kind pieces, craft artists have valuable skills.
