

## Supply list for Engraving

The numbers following the items are for purchasing through GRS.

2 of the C-Max Round Blank **022-611**

2 Quick change holder **004-873**

Quick change chisel handle from GRS **044-220**.

Chasing hammer Flat solo **011-470** or Round solo **011-471**. Either chasing hammer is acceptable. If you are buying it from a source other than GRS make sure you're purchasing the correct size hammer. Other hammers are too large. Extra ones will **not** be available.

Optivisor or similar hands-free magnifier (there are several different magnifications for these) #5 (2.50X) **002-711** and #7 (2.75X) **002-712**

Binder or folder for hand outs.

Free standing bench light. Outlets will be available.

If you have further questions about tools please email [engravingbysam@gmail.com](mailto:engravingbysam@gmail.com) or text 336-339-3372. Feel free to bring any other tools you may want to use. If you are struggling to find the tools feel free to contact me. Please be sure to have the correct tools. Extra tools will not be available.

If you use GRS (highly suggested) please contact Clint Eidman at [ceidman@glendo.com](mailto:ceidman@glendo.com) and tell him you are buying tools for Sam Cherry's Metal Engraving course. He is willing to give us a 5% discount on the total of your purchase.
