

**Montgomery Community College
Dental Assisting Program
Student Experience Verification Form**

In order for an applicant to accumulate points for acceptance into the Montgomery Community College Dental Assisting Program, an individual will need to demonstrate a minimum of 32 hours work/volunteer experience in the dental field. Refer to the Program Guide to determine points available.

These hours must be completed under the supervision of a dentist or dental assistant. Exceptions may be made on a case-by-case basis by the Dental Assisting Program Head and the appropriate college administration.

Applicant (please print):

Name:
Address:
Telephone:

Dentist/Dental Assistant (please print):

Name:
Address:
Telephone:
Date range that hours were completed _____ - _____
(ex. 1/1/2022 – 3/1/2022)
