

Introduce Yourself Discussion Board idea:

Ask students to post to at least **8** of the questions from the list below that they respond to with a “yes” and elaborate (explain) their answers.

Ask students to "Talk" (reply to) at least two classmates about their "life" experiences

Instructors: post your responses to the questions as well:

For example:

Have you ever been outside the United States? Yes, I visited England in 2017 with my husband. We took a few days to walk around, took a bus tour to Stonehenge which was not as big as I expected and weird because it was on the side of the road. We continued the tour to Bath and walked around that city. From London we took a train to Birmingham and visited Stratford on Avon where Shakespeare was born and Warwick Castle.

Do you have any advice that you would give your younger self? Yes, stay in touch with childhood friends, write down the things I love about my mom (you will miss these things when she's gone) and tell her that you love her each and every day, trust your instincts, buy stock in Apple 😊
