It has been determined you are not making academic progress towards graduation. Federal and state regulations require students to comply with standards of academic progress as defined by the Office of Financial Aid. Students that fail to meet the minimum standards lose their eligibility to receive federal, state, VA, and/or institutional aid. Federal guidelines allow the Office of Financial Aid to extend eligibility to students that fail to meet minimum standards if they can document there were mitigating circumstances beyond their control that caused them to perform below standards. Documentation should be submitted with your appeal to support your statement. Appeals are granted in cases of serious illness, death of an immediate family member, natural disaster, extenuating circumstance or other traumatic episode. Appeals are also reviewed for need of additional hours/degrees.

*****Notification of appeal decision will be emailed to your School Email with instructions on how to proceed.**
